

London TDM

Finance and Accounting

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 26 October 2025 To 30 October 2025

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

In today's dynamic business environment, organizations must be adept at identifying skill gaps and aligning their workforce's capabilities with strategic objectives. This course, "Training Needs Assessment and Competency Mapping," is designed to equip HR professionals, trainers, and managers with the essential tools and methodologies necessary to assess training needs effectively and develop competency frameworks that drive performance and productivity.

Objectives

- Understand the fundamentals of training needs assessment (TNA).
- Learn the methodologies for conducting competency mapping.
- Develop a framework for aligning training programs with organizational goals.
- Implement strategies for effective skill gap analysis.
- Design competency models tailored to specific roles and industries.

Course Outlines
