

London TDM

Procurement and Supply Chain Management Training Courses

Course Venue: United Kingdom - London

Course Date: From 26 July 2026 To 30 July 2026

Course Place: London Paddington

Course Fees: 6,000 USD

Introduction

In the competitive world of business, crafting clear and concise specifications and Requests for Quotations (RFQs) is crucial for ensuring the success of procurement processes. This 5-day professional course is designed to provide participants with the skills and knowledge needed to write effective specifications and RFQs, enabling better supplier responses and project outcomes.

- Understand the role and importance of specifications and RFQs in procurement.
- Develop skills to write clear, complete, and concise specifications.
- Learn to structure RFQs to elicit comprehensive and competitive supplier proposals.
- Improve the ability to evaluate supplier responses effectively.
- Gain insights into legal and ethical considerations in procurement.

Course Outlines
