

London TDM

Health, Safety, and Environment (HSE) Training

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 16 November 2025 To 20 November 2025

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

The "Legal and Regulatory Aspects of HSE" course aims to provide participants with a comprehensive understanding of health, safety, and environmental laws and regulations. Over five days, attendees will explore various legal frameworks, compliance strategies, and industry standards to ensure workplace safety and environmental protection. This course is designed for HSE professionals, legal advisors, and operational managers seeking to enhance their knowledge and skills in adhering to legal requirements.

Objectives

- Understand the fundamental legal principles governing HSE regulations.
- Identify key international and national HSE laws applicable to various industries.
- Develop effective compliance strategies and best practices.
- Interpret legal documents and evaluate their implications on HSE policies.
- Enhance decision-making skills by integrating legal considerations into HSE management.

Course Outlines

Day 1: Introduction to HSE Legislation

- Overview of HSE legal concepts and principles
- The role of government agencies in HSE regulation
- Major international HSE frameworks and treaties
- Case studies of HSE legal violations
- Interactive session: Identifying legal documents

Day 2: National HSE Laws and Regulations

- Detailed examination of national HSE laws
- Analysis of industry-specific regulations
