

London TDM

Health, Safety, and Environment (HSE) Training

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 02 November 2025 To 06 November 2025

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

The "Internal HSE Audits and Inspections" course is designed to equip professionals with the knowledge and skills necessary to effectively plan, execute, and manage Health, Safety, and Environment (HSE) audits and inspections. Over five days, participants will learn to evaluate compliance, identify risks, and implement corrective measures to enhance workplace safety and operational efficiency.

Objectives

- Understand the principles and importance of HSE audits and inspections.
- Develop skills to conduct thorough and effective HSE audits and inspections.
- Learn how to identify key areas of risk and non-compliance.
- Gain insights into effective reporting and follow-up actions.
- Enhance the ability to contribute to a safer and healthier work environment.

Course Outlines
