

London TDM

Customer Service and Sales Training Courses

Course Venue: United Kingdom - London

Course Date: From 19 October 2025 To 23 October 2025

Course Place: London Paddington

Course Fees: 6,000 USD

Introduction

This 5-day professional course, "B2B vs B2C Sales Approaches," is designed to equip participants with a comprehensive understanding of the fundamental differences and strategies in business-to-business and business-to-consumer sales. Through a combination of theory, best practices, and practical exercises, participants will learn how to tailor their sales tactics to suit different markets. This course is ideal for sales professionals, marketing strategists, and business leaders looking to enhance their sales effectiveness and maximize opportunities within both B2B and B2C sectors.

Objectives

- Understand the key differences between B2B and B2C sales.
- Learn effective sales strategies tailored to B2B and B2C markets.
- Identify and analyze customer needs in different sales contexts.
- Develop skills to build and maintain strong customer relationships.
- Use data and technology to enhance sales processes.

Course Outlines

Day 1: Introduction to B2B and B2C Sales

- Overview of B2B and B2C sales environments.
- Key characteristics and differences.
- Understanding the sales funnel in different contexts.
- The role of emotion and logic in sales decisions.
