London TDM

Administration and Office Management Training Courses

Course Venue: United Arab Emirates - Dubai

Course Date: From 15 February 2026 To 19 February 2026

Course Place: Downtown Dubai

Course Fees: 5,000 USD

Introduction

Developing Standard Operating Procedures (SOPs) is crucial for ensuring consistency, quality, and efficiency in any organization. This 5-day professional course is designed to equip participants with the necessary skills and knowledge to create, implement, and maintain effective SOPs. Through interactive sessions, practical exercises, and real-world examples, attendees will learn how to streamline processes and improve overall operational performance.

Objectives

- Understand the importance and benefits of SOPs.
- Learn the essential components of effective SOPs.
- Master the steps to develop and write clear and comprehensive SOPs.
- Gain insights into implementing and maintaining SOPs within an organization.
- Foster a culture of continuous improvement and adherence to SOPs.

Course Outlines
