

London TDM

Administration and Office Management Training Courses

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 28 June 2026 To 02 July 2026

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

Effective management of office supplies and inventory is crucial for ensuring smooth business operations and optimizing resource utilization. This comprehensive 5-day course is designed to equip participants with the knowledge and skills required to efficiently manage office supplies, develop an inventory system, and implement best practices for tracking and controlling office resources. Participants will gain insights into strategic planning, cost control measures, and sustainability practices.

Objectives

- Understand the fundamentals of office supply management.
- Develop an efficient inventory tracking system.
- Implement effective cost control measures for office resources.
- Apply best practices in inventory management and sustainability.
- Enhance decision-making skills for inventory-related issues.

Course Outlines
