Introduction

This comprehensive 5-day course on "Minute Taking and Meeting Documentation" is designed for professionals who aim to improve their skills in accurately capturing, documenting, and managing meeting content. The course will cover fundamental techniques required to produce clear, concise, and effective meeting minutes that facilitate decision-making and organizational efficiency.

- Understand the purpose and importance of minute-taking in a professional setting.
- Develop skills to effectively listen, summarize, and document key points.
- Learn different formats and styles for creating and organizing meeting documentation.
- Enhance ability to prepare and distribute actionable meeting minutes promptly.
- Master tools and best practices for digital minute-taking and documentation.

Course Outlines

Day 1: Introduction to Minute Taking
