London TDM

Marketing and Communication Training Courses

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 16 November 2025 To 20 November 2025

Course Place: Royale Chullan Hotel

Course Fees: 6,000 USD

Introduction

Understanding customer segmentation and targeting is crucial for businesses looking to tailor their marketing efforts effectively. This 5-day professional course will delve into the intricacies of identifying distinct customer segments and crafting strategies that appeal specifically to those segments. Through theoretical insights and practical applications, participants will learn how to boost engagement and maximize their marketing ROI.

Objectives

- Understand the fundamentals of customer segmentation and targeting.
- Learn how to identify and analyze customer data for segmentation.
- Develop strategies to target different customer segments effectively.
- Apply tools and techniques to measure the success of segmentation strategies.
- Explore case studies to understand real-world applications of segmentation.

Course Outlines
