

London TDM

Legal and Contracts Management Training Courses

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 16 November 2025 To 20 November 2025

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

The "Contract Review and Risk Identification" course is designed to equip professionals with the skills and knowledge necessary to effectively analyze contractual agreements and identify potential risks. This intensive 5-day professional course will focus on developing the ability to assess legal documents, recognize areas of concern, and apply strategies to mitigate potential risks. By the end of the course, participants will be proficient in handling complex contracts and understanding the critical components that can impact their organizations.

- Understand the fundamentals of contract law and its applications.
- Develop skills to systematically review and analyze contracts.
- Identify potential risks in contracts and propose mitigation strategies.
- Learn best practices for negotiation and amendments of contract terms.
- Enhance decision-making skills to safeguard organizational interests.

Course Outlines
