Legal and Contracts Management Training Courses

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 02 November 2025 To 06 November 2025

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

The "Legal Aspects of Mergers and Acquisitions" course provides an in-depth exploration of the critical legal considerations involved in mergers and acquisitions (M&A). Over five days, participants will gain a comprehensive understanding of the legal frameworks, due diligence processes, regulatory requirements, and strategic planning necessary for successful M&A transactions. The course is designed for legal professionals, business executives, and anyone involved in the M&A process.

Objectives

- To understand the legal framework governing mergers and acquisitions.
- To develop skills for conducting legal due diligence in M&A transactions.
- To gain insights into structuring deals and drafting essential legal documents.
- To learn how to navigate regulatory approvals and antitrust issues.
- To explore risk management and integration strategies in M&A.

Course Outlines

Day 1: Introduction to Mergers and Acquisitions

- Overview of M&A and its economic significance
