

London TDM

Legal and Contracts Management Training Courses

Course Venue: United Kingdom - London

Course Date: From 19 October 2025 To 23 October 2025

Course Place: London Paddington

Course Fees: 6,000 USD

Introduction

The 5-day course on "Legal Frameworks for Procurement Contracts" is designed to equip procurement professionals, legal advisors, and contract managers with comprehensive knowledge and skills. The course will cover essential legal concepts, key principles, and practical approaches to managing procurement contracts effectively. Participants will gain insights into legal risks, compliance requirements, and strategies to optimize contract value.

- Understand the fundamental legal principles governing procurement contracts.
- Identify and manage legal risks in procurement processes.
- Ensure compliance with relevant legislation and regulations.
- Develop strategies for effective contract negotiations and execution.
- Enhance skills in drafting, interpreting, and managing contract terms.

Course Outlines
