

London TDM

Security Management and Risk Protection Training Courses

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 28 June 2026 To 02 July 2026

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

The "Terrorism Awareness and Countermeasures" course is designed to provide professionals with a comprehensive understanding of terrorism dynamics and effective counter-terrorism strategies. Through this course, participants will gain insights into the motivations and tactics of terrorist groups, enabling them to assess threats and implement appropriate security measures. The course is structured to facilitate learning through theoretical knowledge, case studies, and practical exercises.

Objectives

- Understand the historical and ideological roots of terrorism.
- Identify and analyze contemporary terrorist tactics and methods.
- Develop skills in threat assessment and risk management.
- Explore international and domestic counter-terrorism strategies.
- Implement effective communication and crisis management practices.

Course Outlines
